

Repatriation Flights to Kathmandu

Dear Trade Partners,

Pleased to announce that flydubai will be operating special repatriation flights to Kathmandu from 22nd September to 30th September.

Please ensure that the below guidelines are followed for passengers travelling to Kathmandu.

- PCR negative certificate of test conducted within 72 hours of departure is required for all the passengers.
- Passengers must carry 2 printed copies of the certificate. One copy will be collected at the boarding gate
- All the passengers must fill up the online form which is available on ccmc.gov.np website and compulsory carry the printed copy with the barcode.
- This information will be checked at the airport before boarding any passenger. Passengers will be offloaded and no refund will be provided if these documents are not provided.
